

PRODUCT INFORMATION

Guide Bushing Adapters

Guide Bushing Adapters

OF 1010 469625
OF 1400 493566
OF 2000 469627

PRODUCT DESCRIPTION:

Festool Guide Bushing Adapters accept industry standard, two-piece, threaded, guide bushings for use with templates and jigs. Guide Bushing Adapters are included with both the OF 1010 and OF 1400 routers.

SUGGESTED USAGE:

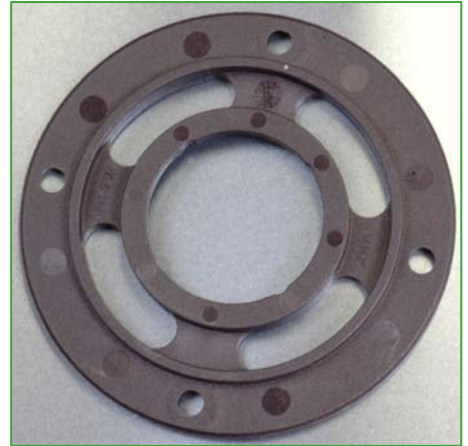

When Imperial Standard guide bushings are required for templates or jigs.

BENEFITS:

- Enables you to use two-piece, industry standard guide bushings with your Festool router.
- Enables you to use your Festool router with other brand dovetail and mortising jigs.

RELATED PRODUCTS:

- For complete metric guide bushings or copy rings, please see router accessories in our catalogue or website.
- Angle Arm (486052) Copier Scanning Set (486534) for copying work pieces without guide bushings or bearing bits.
- MFS Multi-routing template (492610, 492611) Anodized aluminum template with integral rule adjusts quickly and accurately for circles, inside and outside cuts.
