

Festool Finishing Sanders Faster. Better. Easier.

At Festool, innovation is tradition. We're constantly pioneering new ways to make your work faster, better, and easier than ever before. We're proud to continue the legacy with our new line of finishing sanders, which put Festool ingenuity in the palm of your hand.

- **Compact and lightweight**
Comfortably operated with one hand
- **Vibration stop technology**
Eliminates fatigue and increases controllability for better finish quality
- **Pads designed to suit your needs**
Sanding pads are engineered for long life and optimum coverage for common tasks and special applications
- **StickFix® pad design**
Hook and loop style pads for fast and easy abrasive changes
- **Variable Speed**
Stepless and smooth adjustability optimizes speed to handle a wide range of applications
- **Integrated dust extraction**
Use with a CT dust extractor or a filter bag to maximize abrasive life, enhance finish quality and improve the air you breathe
- **Premium MPE Pads**
A perfectly flat, smooth-running sanding pad is the foundation for perfect finish results

ETS 125 EQ

DTS 400 EQ

RTS 400 EQ

Compact and light, Festool finishing sanders are ergonomically superior and easily operated with just one hand. These sanders feature an encapsulated bearing unit and an integrated dust extraction port, resulting in a better finish, improved air quality and a long service life. Festool finish sanders make every aspect of the job faster, better, and easier from start to finish.

Festool Finishing Sanders

FESTOOL

Ergonomic One Hand Design

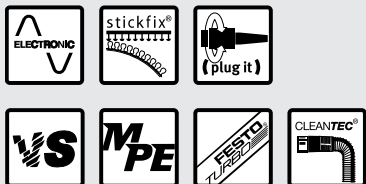

Compact & lightweight for use with either hand. Work overhead with ease.

Sealed switch

Keeps dust out for long service life.

Robust internal design

Encapsulated bearings keep dust out, ensuring smooth performance and a long service life.

Plug-It cord

Hassle free cord change without tools.

Stepless speed control

Match the speed to the material.

Integrated dust extraction

Perforated pads and unique hole design for optimized dust extraction.

MPE pads

Premium material for flat, true running, performance.

ETS 125 EQ

- Includes:
- 1 StickFix® MPE sanding pad
- 1 Abrasive sheet
- Plug-It cord
- Filter Bag and holder
- 1 Systainer 2
- Item No. 571 610

\$165.00

Specifications

Power consumption	200 watts/ 1.67 amps 120 v AC
Pad diameter	5" (125 mm)
Speed	6,000 - 14,000 rpm
Sanding stroke	5/64" (2 mm)
Weight	2.4 lbs. (1.1 kg)

Applications

- Finish sanding
- Sanding between coats of finish
- Abrading surfaces (light scratching of surfaces to be finished)
- Face frame sanding
- Prep for final finish

Abrasive Types

Cristal For wood, paint, plastics and fillers	Saphir For heavy duty use
Brilliant 2 For paints and varnishes, fine sanding on bare wood	Vlies For light sanding and degreasing, polishing metal and solid surface
Rubin For bare wood	Platin 2 For superfinish and solid surface
Titan 2 For solid surface and automotive paint	

DTS 400 EQ

- Includes:
- 1 StickFix® MPE sanding pad
- 1 Abrasive sheet
- Plug-It cord
- Filter Bag and holder
- 1 Systainer 2
- Item No. 567 825

\$190.00

Specifications

Power consumption	200 watts/ 1.67 amps 120 v AC
Pad size	4" x 6" (100 x 150 mm)
Speed	6,000 - 14,000 rpm
Sanding stroke	5/64" (2 mm)
Weight	2.4 lbs. (1.1 kg)

Applications

- Panelized doors
- Light sanding
- Trim molding
- Window casing
- Cabinets
- Narrow stock

Abrasive Types

Brilliant 2 For paints and varnishes, fine sanding on bare wood	Vlies For light sanding and degreasing, polishing metal and solid surface
Rubin For bare wood	

RTS 400 EQ

- Includes:
- 1 StickFix® MPE sanding pad
- 1 Abrasive sheet
- Plug-It cord
- Filter Bag and holder
- 1 Systainer 1
- Item No. 567 817

\$190.00

Specifications

Power consumption	200 watts/ 1.67 amps 120 v AC
Pad size	3 5/32" x 5 1/4" (80 mm x 133 mm)
Speed	6,000 - 14,000 rpm
Sanding stroke	5/64" (2 mm)
Weight	2.4 lbs. (1.1 kg)

Applications

- Panelized doors
- Corner sanding
- Light sanding
- Trim molding
- Window casing
- Cabinets
- Narrow stock

Abrasive Types

Cristal For wood, paint, plastics and fillers	Vlies For light sanding and degreasing, polishing metal and solid surface
